## THE OPPORTUNITY

An opportunity to invest and build equity in your own real estate at the upcoming Ironwood Landing development, located in South Richmond at 12122 & 12128 Horseshoe Way. Designed by KCC Architecture, Ironwood Landing will be comprised of 18 small bay strata units starting at 2,555 square feet. The units will come equipped with ample glazing, grade loading and an enclosed 2nd level office featuring HVAC and separate entrances.

Ironwood Landing is built with e-commerce warehouse needs in mind and the Industrial Business Park (IB1) zoning permits a wide variety of allowable business uses including outright office. Businesses will benefit from efficient access to Highway 99, improved travel times from the George Massey tunnel and Corridor upgrades\*, close proximity to Vancouver International Airport and the amenities at the Ironwood Plaza, only minutes away.

*\*The new 8-lane George Massey tunnel crossing and corridor improvements will greatly reduce congestion for goods and service trips for businesses. Corridor improvements include the Steveston Interchange, Bridgeport Road transit ramp, and Highway 99 & 17A offramp widening. Estimated completion of the tunnel upgrade is 2030.*
